Re: Frost Road PAC Chair Role

To staff and parents of our Frost Road community,

This letter is to inform the school community that effective June 30,2022 I will be stepping down as PAC chair.

I have enjoyed my years as an executive, being a part of our PAC has been a wonderful, rewarding experience.

With my daughter starting grade 7 next year I would like to focus on that while still being in the school and very much still a part of our wonderful PAC.

Nomination information will go out in April and the vote will happen at our AGM May 19 at 6pm.

Our PAC is important and having a chair is vital to the PAC for many reasons.

Please make sure anyone you nominate knows you plan to nominate them and that they are interested in taking on the role.

We will most likely be holding the meeting via zoom as most have been. Information on nominations and voting will be communicated at that time.

I encourage everyone to come to PAC meetings and get involved, it's very rewarding and fun!

A huge thank you to the Frost Road Executive team, you are all dedicated amazing people.

All the best to everyone and stay safe,

Lyndsey Locke
