

Fun Night
May 28th 4-8pm

Hillcrest PAC NEWSLETTER

What is Fun Night?

Fun Night is a Community Event put on by Hillcrest PAC. There are games, inflatables, face painting, mini golf, photo booth, raffles, cake walk, BBQ sponsored by Balance Realty and so much more!

Wristbands will be available for purchase before the date for a special discount. Wristbands are also available on the day of the event at regular price. Parents play for free!

This is our BIGGEST Fundraiser of the year!

Raffle Baskets

Our raffle and auction are very popular with the parents. We have given away so many great prizes over the years thanks to generous donations from our community and YOU!

Each division will be given a theme. We will be creating gift baskets from donations brought in from classes. We will send out specific themes with suggestions at a later date.

We will also be asking for Candy Jars and cakes for the Cake Walk. What are Candy Jars? Why, they are exactly what they sound like-jars (not pickle or spice jars please) or solo like cups filled with candy! This station is always so popular and everyone who has a wristband can enjoy a candy jar!

HELP WANTED

We are seeking people to organize, set up and run the Primary Zone, (games and activities geared towards the younger crowd). We have some games already and are always around to help guide or answer any questions.

We are seeking people to help solicit local businesses for donations. This requires taking a letter in (we provide) and following up. We have designated zones to which you would go and a list of specific places which tend to donate. We just need your help to get it done. Take the kids for a walk over Spring break and drop letters off. Give a letter to your dance school, martial arts... Please consider donating if you have a business as well. All proceeds go to Hillcrest PAC to help our school do amazing things!
