

# **A Fundraiser to Remember**

North Ridge Elementary PAC is pleased to announce a special Fundraiser for the year 2017/2018 - a **Keepsake Recipe Book** which includes recipes by students, staff and families of our own school. In order to complete this project by Spring 2018 we need your recipes. This would be an excellent opportunity to share **healthy, family recipes** with our North Ridge Community.

We are in contact with a **Canadian Publisher** who will print our book and have it ready for Sale in the Spring, but from now until then a lot of work has to be done. The PAC will manually input all your information, **JUST SEND US YOUR RECIPE**, by email to [recipesfornorthridge@gmail.com](mailto:recipesfornorthridge@gmail.com) or handwritten to your class to be handed in to the office and do not forget to sign your full name and division or title, so you and your family can see it printed in the book.

We want to create a personalized customized keepsake item that will be utilized for many years. We are capturing memories in a book that will embody the essence of family and friends, something you can't get online. We can create custom sections geared for today's lifestyles, including Gluten-free/Vegan/Kid-Friendly/Quick & Easy....It is a great opportunity.

Please help support our vision.....and send us your recipes. Make it a class project if you want, we would appreciate the childrens' input as well !!!! It will not only be a lasting memory but the funds raised will go back to your children !!!

**Thanking you in advance**

**NORTH RIDGE ELEMENTARY PAC**

# Share Your Favourite Recipes!

We need everyone's  
favourite recipes  
in order to make our  
Cookbook Project  
a success.
