1. Grade 7 to Grade 8 – Transition and Articulation

Two weeks ago, I had the opportunity, alongside our counselling department, to visit our elementary family of schools as part of our articulation process. The students were so well behaved and full of questions. We are excited to have them join us next year. Our grade 7 parent evening had a huge turnout. Next up is our visits with grade 7 teachers and our counsellors and LST staff in April.

2. Robotics/Drama/Dance/Polaris/Aviation/ Band

Congratulations to all our programs on their amazing achievements this school year. We have shared the successes in our bi-weekly parent-scroll.

3. Athletics

We've shared many of the program's success in our Friday parent scrolls. I'm especially happy with how many students are participating and with the positive experiences they're having. Spring Season is here with the following sports – Girls Soccer, Badminton, Ultimate, Wrestling, Table Tennis and Track and Field.

4. Grad Commencement and Dinner Dance

Grad Commencement is on June 6th at the Bell Centre at 6:00 PM and Dinner Dance is on May 28th at Swaneset Golf Course. Dry Grad will be at the school and buses will transport students from Dinner Dance back to the school.
