Staff members are now asked to scan QR code when entering the school to authorize that they have done their daily health checks

Parents and kids have been asked to stay home with even the slightest sign of illness, even a runny nose etc that is not on the covid checklist.

No parents are allowed in the school. A 15 minute grace period has been given for student late arrivals in the mornings to prevent unnecessary visits to the office to sign in.

Indoor field trip: Pickleball cost \$4,394.25. (\$9 per student x 6 lessons each). The meeting has decided with the current trend of covid infections in Surrey to postpone this field trip until the New Year.
