Red Cross STAY SAFE (home alone) Course: This Red Cross course is for ages 9-13. This 4-hour online course provides real-world scenarios that would often call on children to respond to challenges. The STAY SAFE! Program teaches applicable age-appropriate skills, while increasing and reinforcing a youths capacity to improve their own safety to be able to STAY SAFE at home or in the community. Registration is available now on Munch-a-Lunch.

Clothing Drive: As you declutter over the winter break, please bag up and hold onto any gently used clothes or household items (including but not limited to bedding, books, craft supplies), as we will be having a donation drop off from Jan 5th to 12th.

Important Information Regarding Fundraising:

Please note that all funds raised from PAC fundraising pays for school activities including, but not limited to: new books for the library, new technology, fine arts programs, author visits, school performances, lessons such as the dance classes, gymnastics, yoga, etc. Without your help and fundraising dollars these events would not happen because the government does not subsidize them. Therefore, fundraising is especially important to our school. Thank you for continued support!
