Vice-President - Grace McDonald

DPAC Rep - Danica Gallaher

## Let's Work Together

As we wrap up the current school year, the PAC is already looking ahead to 2021/2022. We hope that all of our parents will also think about the new school year over the summer and plan to get involved in some way for the benefit of our students!

There are several ways to support the school throughout the year (give, volunteer, participate). We have also broken down the volunteer positions into three tiers to cater to everyone's preferences and availability. [Here is a link](#) to the page on our website where you can review the different ways to get involved.

We look forward to working together as a community next year to make it the best one yet!
