Important Reminders from your PAC

Masks

School staff are committed to providing students with supportive and enriching learning environments.

We also need them to be safe.
Please help make that happen.

Tell your children to wear masks throughout their school day. This protects everyone in the school.

Adults and children, when on school property, please wear a mask.

Parking Lot

Our school parking lot is a challenge even without COVID. Please set the example for your children by walking on sidewalks, using crosswalks off the property and within the property. Do not walk through the parking lot where the cars are driving.

If you choose to pick up in the parking lot, do not get out of your vehicle. If your child needs assistance, park on the street and walk in (with your mask on).

Scholastic Book Fair

Our Scholastic Virtual Book Fair is available to our school on March 1-14. This will be a great opportunity to stock up on French or English books to read over spring break while also helping our school raise funds for our classrooms.

The Virtual Family Night Free Shipping Event is on Wednesday March 3rd and 10th from 6:00 pm to 8:00 pm. That is a two-hour window for free shipping – no minimum purchase required!

Follow this [link](#) to access book trailers from now until the event and to shop our Virtual Book Fair during our fair dates.

Garden and First Peoples

Bernadette Mullen from our PAC is working with the Our Garden and First Peoples committee to design an outdoor learning space. Our vision is to design and create a medicine wheel garden where learning and wellness intersect. We are also working on a mystery seed challenge – watch for details in the coming days!
