

PAC Guildford Bottle Depot Account is now setup!

We are currently raising funds for a new Playground for Riverdale Students. We have setup an account at the Guildford Bottle Depot on 108A by the school where you can drop off your empties and donate to our playground. The best thing is that you can bag your empties and drop them off. No need to sort!

All you have to do is bring in your empties in a clear plastic bag, get a bag sticker from the Kiosk at the depot and attach your sticker. Then just leave the bag there and it will be sorted, and funds will go to our account. You don't have to sort the bottles when you get there!

When you are at the Kiosk enter in the school's phone number to bring up our account and get your sticker. The schools phone number is **(604) 588-5978**.

Attach the sticker to your bag and leave it in the designated drop off area.

This will be an ongoing fundraiser so when you are ready please donate your empties!

If you have any questions about the fundraiser, please email us at Riverdale.PAC@hotmail.com. Thank you for your support!
