## October/November Newsletter

### Thank you for your support!

Our Indigo Adopt a School fundraiser brought in \$6018.79

The Adopt a School fundraiser was a great success! Our in-store and online donations totalled over \$5000 and we won another \$500 for our story contest! That's 600 new books for the students of Ellendale, putting over four new books in each students hands. Our students were so excited to share their amazing bookmarks with customers buying books and loved drawing their dream libraries. We absolutely could not have achieved this amazing fundraising goal without all the wonderful parents and family members who donated, shared and wrote stories. Thank you all so much, and we are looking forward to seeing a lot more books on the library shelves!
