Spring Fun Fair Committee

The PAC is looking to bring the spring Fun Fair back to our community. If you're interested in being on the committee that brings this together please get in contact with Sarah - vp@ggpac.org for more information.

Student Safety / Parking Lot Help

The parking lot and 61A in front of the school has a lot of congestion in the morning/afternoon. The staff has a great system to help keep cars moving but we are hoping to get a few parents on board that would like to help work along side the staff. If this is something that interests you, please contact Rob by email at pres@ggpac.org for more information.

Thank you for following the rules of the road and obeying the cones and no stopping/parking signs along the road. These are all in place to keep our children safe.
