# THE PACYAK

## WHAT YOU MISSED...

At our last PAC meeting we learned that the PAC fridge used for various events throughout the year needs to be replaced. If anyone is able to donate a new one or have connections for acquiring such an appliance at a reasonable price, please contact the PAC at LatimerRoadPAC@gmail.com. The fridge must meet these dimensions: 65" height, 30" width, 29" depth.

April 13th will be the Montessori Pub Night Fundraiser @ Dublin Crossing. There are tickets available at <http://surreybc.montessorinetwork.net/sms2019> or you can purchase tickets at the door. Tickets include a Belfast Burger (beef, chicken, or veggie), Fries, and a Beverage. Also, there will be a silent auction, 50-50 draw, toonie toss & live band.

The Grade 7's will be running a Spring Plant Fundraiser to raise money for their year end celebration and water slide trip. Order forms will be sent home the second week of April.

## FUNDRAISING UPDATE

We will be showing "Ralph Breaks the Internet" this year at our Movie Night, Friday April 26th. To order tickets and food items, go to [munchalunch.com/schools/latimerroad](http://munchalunch.com/schools/latimerroad) and click on the "Fundraising Open!" button. Admission is \$1 (free for 3 and under) and will be sold on a first-come first-serve basis. If you are interested in helping out at this year's movie night contact us at LatimerRoadPAC@gmail.com with "Movie Night Volunteer" in the subject line.

Do you know about our passive fundraisers a Latimer Road!? They are a great way to support our school with very little effort! Consider visiting [MabelsLabels.com/support-a-fundraiser](http://MabelsLabels.com/support-a-fundraiser) when you buy your labels. Choose "Latimer Road Elementary PAC" from the list and 20% of your purchases will be kicked back to our PAC! We also have a partnership with M&M Meats (Willowbrook Location). Just mention "Latimer Road Elementary PAC" at the register and our PAC will receive 5% of your purchases back.

## SCHOOL SPIRIT

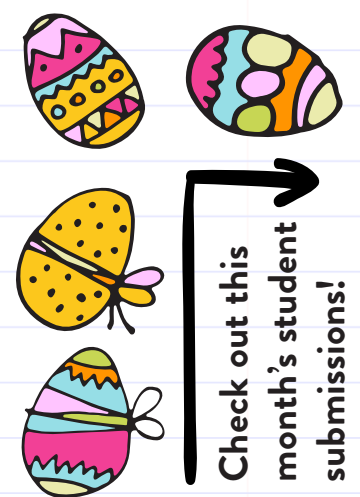

The PAC is excited to announce the Crayola ColorCycle program – devised to repurpose used markers rather than sending them to landfills! Latimer Road students and teachers are being asked to collect used markers that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers you may have around the house – even non-Crayola brands. Highlighters and dry erase markers can also be included – any plastic markers! Our new marker bin is located outside the office for your child to deposit their old markers. Thank you in advance for participating and helping to keep tons of plastic out of our landfills!

Recycling bin outside the office ready for your dead markers!

## Sketch Book Club | Grades 5&6

In terms 1 and 2, many students from grades 5 & 6 participated in the "Sketch Book Club" who met once a week for 50 minutes. Art topics covered included negative space, life drawing, shading, cartooning, and grid enlargement. Students worked hard as they learned new skills and made new friends!

Here are a few samples of student's work.

**A BIG THANK YOU TO ALL PARTICIPATING STUDENTS FROM MRS. LOWES AND MS. WYNNE!**
