## WHAT YOU MISSED...

At the October 23rd PAC meeting Ms. Harrison announced there will be a Fresh Grade Parent Night on November 6th to go over the reasons behind digital portfolios and ways to support your child's learning using this software. The meeting will take place in the library at 6pm. Another meeting will be held later in November to discuss what Inclusive Education is and encourage parents to connect and share with other parents on the topic.

## FUNDRAISING UPDATE

The Entertainment Books team this year reported a \$5400 profit and surpassed our goal for the year. Thank you to all who supported our kids by purchasing books!

We've created another new partnership in the community with Cobb's Bread in Clayton Heights. By mentioning that you are a Latimer Road parent while purchasing, we will receive a kick back with your purchase! It's a great way to support our school with very little effort.

Other fundraisers to watch out for this month are the Neufeld Farms fundraiser (cut off Nov. 14th), the Annual Latimer Road Craft Fair & Scholastic Book Fair and lastly the Grade 7's Poinsettia fundraiser (Pick up Dec. 13th). See the "don't forget" list for deadline info and important dates. For those of you interested the Purdy's fundraiser will not be running this winter but will be picked back up in time for Easter.

A paper copy of the Neufeld Farms fundraiser order forms have been distributed. The PAC encourage parents to order Neufeld items online via Munchalunch rather than by cheque if possible. This is to streamline the process as all paper copies received will need to be entered online by parent volunteers before the order can be submitted.

Funds raised by PAC enhance the school experience for all our children. Monies go towards the purchase of necessary supplies for the classroom that are not covered by the district. This includes classroom technology, special events such as Pancake Breakfast and Sports Day, and so much more!
