Surrey Food Bank

The Leadership Team is planning on having a food drive for the Surrey Food Bank at the end of November (week of Monday Nov 21st - Nov 25th).

Rocket Launcher

Pump it up and watch them fly! Students will create paper rockets out of card stock and launch them into the sky. Experiment, prototype, and iterate to discover the best rocket design!

Under teacher direction and supervision students will design a rocket using a plastic pipe and paper. They will launch it on the back field using a district air compressor.

Dress for the Weather

Living in a rain forest offers many diverse weather conditions. Therefore, it makes sense that we are well prepared to be outside in the rain. It is vital for children to get outside throughout the day for fresh air and exercise. Physical activity has a positive impact on learning.

Students will be sent outside for recess times (please see below criteria) and should be dressed for the weather. Please send your children with rain jackets, umbrellas, and rain boots to ensure their comfort during our outdoor recess times and the learning time in the classroom afterward. Please send an extra set of clothes in your child's backpack.

Cold Weather & Rainy Days Inside Day

- *5 degrees or below and raining*
- *Raining very hard (duration and intensity is great) and so windy umbrellas will turn inside out*

Cold Weather & Rainy Days Outside Day

- *Above 5 degrees and raining*
- *Snow Days*
