

## Parent Advisory Council (PAC) NEWSLETTER

### JUNE 2016

Thank-you so much to all of the volunteers that have come out to help at PAC events and with the various tasks that the Executive is in charge of accomplishing. A special thanks to **Nadine Cullum** (Logan's Mom - Whoop Whoop), who is always eager to help and who dedicates her time willingly. Also to **Courtney Hertz** (Chanelle & Denman's Mom - Ra Ra!) who has dedicated years of gracious energy to the PAC. They will no longer be parents at Riverdale in the coming year and we want them to know how valued they have been.

Thanks to the teachers and staff for putting on such a great appreciation tea for all of the other volunteers whom without, our children would not experience as many opportunities.

We are still looking for a few more volunteers to help on concession, with hot lunch and with freezie distribution on **SPORTS DAY - FRI the 17th**. Please E-mail PAC ([riverdale.pac@hotmail.com](mailto:riverdale.pac@hotmail.com)) or call or text Corinne Moody at 778-888-0752 if you are available for any shifts as follows:

or

Volunteers needed from 11:00 - 1:00 (set-up - popping corn)

Come for the year end assembly and then stay for popcorn day! Wahoo!

Also...an **Important PAC Update** has also been attached with this update and I'd like to encourage parents to read it. It details some of the important reasons people should come out to *the First PAC meeting of the new school year* on **Wed Sept 21st at 6:00PM**

**If you have skills to offer and could dedicate some time to be on the Executive Committee please consider standing for a position. We have amazing volunteers that dedicate their time to helping the Executive accomplish their goals! Please read all attachments!**

Thank-you Very Much and have a wonderful summer,

Riverdale PAC
