This is a message from Sullivan Heights Secondary School.

As you may know, students in grade 12 are required to complete the Literacy 12 provincial Graduation Assessments in order to graduate in British Columbia. The results of this assessment do not impact student grades and are intended to provide holistic assessment on student literacy. This assessment is designed to take students two hours to complete, but students are given up to three hours to complete them. More information about the assessments, including samples, can be found here: https://curriculum.gov.bc.ca/provincial/assessment.

Sullivan Heights has scheduled the Grade 12 Literacy Assessments on **Monday, November 2, 2026** and **Tuesday, November 3, 2026**

Students will be scheduled for the assessments in either a morning session (7:45am - 11am) or an afternoon session (11:30am - 2:45 pm). Students must be on time to avoid missing their assessment.
Please have your student check the lists posted outside the library window for their writing time and room number. Students are to remain for the entire school day, therefore students writing their assessment in the morning are to attend their afternoon classes, and those writing in the afternoon are to attend their morning classes.

If you have questions or concerns about the provincial assessment, please reach out to Ms Gaumont (gaumont_d@surreyschools.ca)

Thank you,

Sullivan Heights Secondary School Administration
