ONE YEAR ACCELERATED
PROGRAM 8+9

Learning without limits...

Surrey Academy of Innovative Learning (SAIL) is a blended interdisciplinary school where students learn through inquiry and project based learning using a variety of digital tools in a Makerspace environment.

SAIL Academy's **STEM ACCELERATED** program embraces the idea that every child is unique and learns in his or her own way. Your child will explore their passions and develop social, emotional, and cognitive skills to help them become highly successful adults and prepare them for success in the ever-changing local and global workplace.

SAIL's Programs:

STEAM Science, Technology, Engineering, Art & Mathematics – offers a special focus on creating, inventing, and tinkering through a MakerSpace - a creative synergy of tools and projects at all levels of expertise.

STEMX for designated gifted students – offers an accelerated program combining 2 years into one.

APAX Athletes & Performing Arts Extreme – allows athletes and performing artists a flexible schedule with a program that fosters independent learning.
