May 21, 2021

Dear Parents and Guardians,

We are excited about welcoming students back to classes in September, and we are currently working on building student classes this spring. With the encouraging news of vaccinations and the downward trend of Covid-19 cases, we anticipate a possible return to face-to-face classes in September.

This past year, as a response to the pandemic, Kirkbride offered Blended (online) learning to students in Kindergarten to Grade 7. Whether or not Kirkbride will offer this option for the 2021-2022 school year will depend on the status of the pandemic. To plan for next year, *we ask families of students to let us know if they would like full-time Blended (online) learning for the 2021-2022 school year if available. Please call or email the school to let us know. Email address is kirkbride@surreyschools.ca.*

Details of blended (online) learning are as follows:

- Students would take classes online with Kirkbride or another school offering Blended learning and attend full face to face days on Wednesdays
- Students would require regular access to technology and wifi
- Families will be asked to commit for the *entire school year*

Parents of students interested in committing to a full year of Blended (online) learning are to let us know by **Friday, May 28, 2021.**

If you have any questions, please feel free to contact the school at (604) 588-5711.

Sincerely,

Martin Bobik

Principal
