June 2nd, 2020

Dear Georges Vanier Essential Service Worker (ESW) families,

We look forward to having your children back in our school community and wanted to pass on some information related to the child care program at Georges Vanier.

- **Please be reminded that parents and caregivers are responsible to assess their child(ren) each day before going to school. If your child is experiencing symptoms of common cold, influenza, COVID-19 or other infectious respiratory disease please keep your child home until there has been an assessment by a health care provider AND the symptoms have resolved.**
- ESW care is available 5 days per week. If your child is unable to attend, we ask that you please call the office at 604-596-1030.
- ESW care is provided from 8:00 am to 3:00 pm.
- When you arrive at school, bring your children to meet our school staff outside the gym doors. A staff member will take record your child's name, take them into the school, and help them get settled in one of our groups. This will include washing their hands.
- We ask that your child(ren) have a water bottle with them that will be sufficient for the day along with their bagged lunch.
- We ask that you have your child(ren) bring their favourite books with them.
- We ask that you have your child(ren) bring their favourite toys with them in a bag that they can use for parallel play (no touching/sharing other's toys). At this time, electronic devices are permitted at school. This will help facilitate continued virtual classroom connection, as well prevention of shared technology.
- We will have other social distance friendly activities planned throughout the day. Please send weather appropriate attire, as we will be utilizing our outside space as much as possible.
- For pick-up of your child(ren), we will follow the same procedures as the morning. Simply check-in with staff outside and a staff member will bring

your child(ren) out to you. Your child will wash their hands before leaving the building.

We look forward to connecting with our Georges Vanier community!

Thank you,

The staff at Georges Vanier
