### **JANUARY TRANSITION**

As you may be aware, all schools in the Surrey School District recently surveyed the families of those students attending the Blended Program; a transition model developed in response to many parents' desires to have different learning options during the pandemic. As the model was designed for students to return to full-time, face-to-face instruction in January, we reached out to those families to seek their intention to return or continue with the Blended Program in order to plan. Based on the number of students returning from the Blended Program, we were able to re-integrate those students into our existing classes without having to re-organize. While we will be welcoming back those in our face-to-face classes, we will also welcome a few of our Blended Program students that will be returning in January. The remaining Blended Program students will carry on with their respective programs. We wish all of our students the very best as they continue on in Term 2!

### **NEWSLETTER SCHEDULE**

Please note, this will be our last newsletter before the break. The newsletter will resume in January.

### **WINTER BREAK**

Last Day of School Before Winter Break: Friday Dec. 18<sup>th</sup>

Winter Break: Dec. 21<sup>st</sup> – Jan. 1st

*I would like to take this opportunity on behalf of the Bayridge staff, to wish you all a wonderful and safe holiday season. Although the holidays will be a bit different this year, we hope you are able to celebrate and enjoy from the comfort of your own home. We appreciate all the support you continue to provide the students and staff at Bayridge and we look forward to continuing working with you in the New Year. Here's looking towards a brighter 2021 year ahead!*
