June 11, 2021

Dear Bayridge Community;

We are just around the corner from Summer Holidays. Again, thank you for your understanding and support with the happenings around the school.

Here are a few updates:

BC Restart Plan and Schools

With the much anticipated restart plan unfolding, many questions have been posed as to how this restart is effecting our schools. Unfortunately, the plan does not apply to our schools. The District has put together a [fact sheet for details](#). Existing COVID Health and Safety Protocols remain in place and must continue to be followed for the remainder of the school year.

School Calendar 2021/2022

Our school calendar has been posted on our website. In case you have not had a chance to see it, please find it at the following [link](#). This link will take you to both our school calendar and our bell schedule for next year. Please also check our website for complete [supply lists by grade](#).

Lost and Found

Our Lost and Found is overflowing! Over the next few days, we will have found items out for students to view on their way to the gym. Hopefully all of these items will find their way back to their original homes.

Water Bottles

As the weather is warming up, we are reminding students of the importance of staying hydrated. With our water fountains closed in accordance with COVID –19 protocols, the need for water bottles has increased! (Our water bottle refill station is still open!) Please send students to school with their own water bottles daily.

Staffing Update

We are currently getting our staffing organized for next year.

We are sorry to see the following people leave our school but wish them well on their next adventures:
