Principal - Bhupinder Shergill

HIP HOP

As an enhancement to our Physical Education program, we are pleased to have 1-Vibe Entertainment coming to Bayridge! They will be coming to our school for 9 days to offer a fun filled hip hop dance program. They will be at Bayridge from **Monday, November 18th – Friday, November 29th**. Each division will receive at least four sessions of hip-hop dance instruction over the 9 days.

Your child's teacher will let you know the days when their class sessions are. On those days, students should wear comfortable clothing suitable for gym class and movement.

There is no cost to this program as it will be funded through the PAC! We are very appreciative of this enhancement being made possible for our students.

This event is designed to provide experiential learning and enhance your child's Physical Education program. Accidents can be the result of the nature of the activity and can occur with or without any fault on either the part of the student, or the school board or its employees or agents, or the facility where the activity is taking place. By allowing your son/daughter to participate in this activity, you are accepting the risk of an accident occurring, and agree that this activity, as described above, is suitable for your child. If you have any further questions or do not wish your child to participate, please contact your child's teacher.

YOUNG ENTREPRENEURS FAIR

Over the last several weeks, students in Div. 4 and 5 have been participating in the "PowerPlay Young Entrepreneurs" Program. This is an exciting hands-on educational program where students start their own individual business, develop practical life skills and gain real-life experience. Students have created their own products and marketing materials and will have the opportunity to earn money at a Young Entrepreneur Show scheduled for Thursday Dec. 5 and Friday Dec. 6. in our school gym. Students from other classes will have the opportunity to purchase items that these students have created. It is always amazing to see the creativity and passion these young and budding entrepreneurs bring to their business. A big thank you to Mrs. Grewal-Glups, Mrs. Lowe and Mrs. Seath for leading our students through the learning journey necessary to build these foundational business skills.
