Coast Meridian Families:

Welcome back! We are so happy to be welcoming students and families back to school next week. A more detailed notice will come home with your child on the first day of school, but we wanted to send out some information about our first day procedures and Health & Safety protocols to get ready for Tuesday, September 7, 2021.

For the first day, students attend for a short period of time. It is important for us to have an accurate attendance to plan classes for this school year. If you plan to attend our school, but will not attend on September 7, please call the school office to let us know. Starting on Wednesday, September 8 Gr 1-7 will attend a full day, 8:30-2:30 and Kindergarten will follow the gradual entry schedule that was sent home.

- On the first day Kindergarten students will attend from 10:00-10:30 am. There will be signs on the classroom doors near the front parking area indicating Group A and Group B so you know where to take your child.
- On the first day Grade 1-7 students will attend from 10:00-11:00 am. There will be grade signs posted on outside doors around the school indicating which door your child should line up at. This is the door your child will be dropped off at and picked up from until permanent classes are formed. There will be maps and signs posted around the school, as well as staff outside to direct you to the correct place.

Please see the chart below for details of where to line up and the school map on the following page with corresponding room number. *Please note, students in Rm 9 will line up at the back entrance near the music portable and students in the library will line up outside along the library window wall

Grade	Line up by Grade and the First letter of your last name	Teacher(s)	Room #
Kindergarten	Group A and Group B	Ms. Pope and Ms. Menicucci	105/204

Grade 7	Last Name N-Z	Ms. Hurt's Room	201

*The students will start the day, eat lunch, and end the day in the rooms listed. The classroom/teacher your child works with will not necessarily be the permanent teacher

Health and Safety Reminders:

*A more detailed Surrey School Communicable Disease Plan will be posted to the district website soon, but we wanted to share a few key pieces before our first day of school.

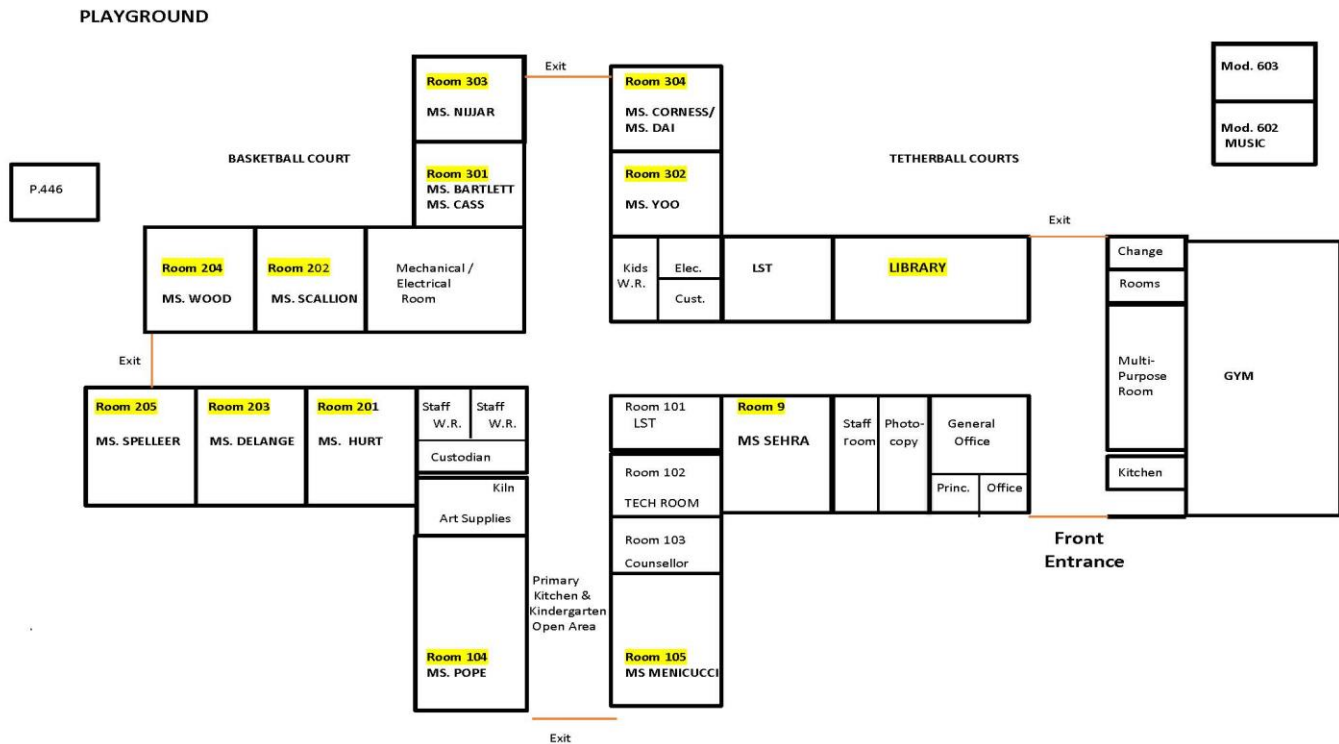

As we enter a new school year this is a reminder that every parent is responsible for monitoring the daily health of your child(ren) before sending them to school. Our Coast Meridian community did a great job following the Public Health guidelines last year. We appreciate the continued diligence around this and we all want to continue doing everything possible to keep our students, staff and families safe.

The Ministry of Health has also provided families with a tool for a health check: [K-12 Daily Health Check Tool](#)

Other reminders:

- Frequent hand-washing will take place (e.g start of the day; before and after eating; before and after outside time, end of the day etc)
- Students in Grade 4-7 are required to wear masks inside the school
- Students in Grade K-3 are encouraged to wear masks inside the school
- All staff are required to wear masks inside the school
- Parents are reminded to please maintain distance from others during pick up and drop off
- Parents are required to wear masks inside the school *it is recommended to make an appointment by calling the school first
- If your child is ill do not send him or her to school

Thank you. See you next week!
