## **Medical Alerts**

If your child has a life threatening medical condition (allergies, diabetes, asthma, etc.) please contact the office as soon as possible. A letter will be sent home with

## **Keeping Cindrich Students Safe**

At Cindrich Elementary we have a "call back" program for all students who are not in attendance by 8:45 a.m. It is important for parents/guardians to call the school before 8:30 a.m. if your child is going to be away. Please call our office at 604-590-3211 and give your child's name, division and reason for the absence. It is also time to teach/remind your child(ren) how to stay safe when walking to and from school. Please review traffic safety rules, determine the safest route home, and walk with a friend or family member. Teachers will be reviewing similar safety tips with students during the first few weeks of school.

### ***Lunch Deliveries***

If you or someone is delivering a lunch to your child, you must come to the office and not knock on the classroom door. It is a safety issue for the school. Thank you!

**The First PAC meeting of the year will be on October 11<sup>th</sup> at 2:45 p.m.** in the Library. Please come out and join the team. The PAC would like to have a classroom parent or two for each classroom. It is a great way to build our community at Cindrich Elementary.

*\*Remember to send \$2.00 for your child's planner. The planners will be distributed this week. Your child's teacher will be collecting the payment. Thank you!*

## **Terry Fox Annual Run**

**We are hosting the Terry Fox Run on Friday afternoon, September 22<sup>nd</sup>. Please join us for such a worthy cause. We will be collecting a toonie for Terry. Our goal is to reach \$1000.00.**

***\*\*Please remember to check our website. You can register to receive your newsletter on line. It is quite easy to do and I am happy to help any of our families set up their registration to receive the newsletter via email. Our website is <https://www.surreyschools.ca/schools/cindrich>***

***Cindrich's School Goal is Healthy Schools*** and keeping with our goal in promoting healthy life styles, we are going to ask our families to share their wonderful birthday treats such as cupcakes and pizza with your family at home, rather than with your child's classmates. We have up to 22 students in the primary classes and 29 Intermediate students and having that many birthday party celebrations in the class can add up. The teachers will recognize and celebrate your child's birthday in their own special ways. There will be a few special events/holidays where we will invite you to contribute your wonderful treats. Thank you for your support and understanding!
