Dear Parent / Guardian,

As you may know, a black bear was seen in our neighbourhood on Monday. Just prior to lunch, he was spotted near 152nd and 108th Avenue. The sighting was reported to police and conservation officers. However, conservation officers have not been able to locate him, and they believe he may have left the area.

As a precaution, we did not allow children out at lunch time on Monday, and we asked students to be picked up from inside the school. Unless otherwise notified, we will have children play outside at recess and lunch today, and they will be dismissed in the usual manner.

For your information, I am sharing some information regarding bear safety tips.

Sincerely,

Leah Christensen
Principal
