To the Parents/Guardians of Martha Currie Students,

Amazing that we are on the brink of May! Please know that we are in constant communication with the District regarding the future of schooling. At this time, there are still not any definitive answers about timelines, but we will be updating our families as soon as we have set information.

In the meantime, we want to acknowledge the work that some people were prepared (and had started preparing) to do before events got cancelled. We always appreciate people going above and beyond the call of duty. First off, **Mr. D. Bourassa** had planned some wonderful pieces for our Spring Concert. It is too bad that they were not able to be followed through, but thanks for the effort in prepping it all. As well, our amazing PAC had done a lot of leg work to get ready for the big Spring Fair. On that note, we want to give a huge thank you to the incredible work that PAC has done all year long. They truly are partners with the school and are always striving to try to do more for our kids.

On that note, we would also like to acknowledge the great communication we have been getting from our PAC Exec. The Co-Presidents (**Brenna Jacks** and **Marisa Tucci**) have been in touch with us frequently to keep us in the loop about PAC's work, and they have offered to help in multiple ways. Please find a message from the executive below.

As you are aware, tomorrow is a professional development day. Our staff have many online learning opportunities tomorrow, and we would like to wish our families a healthy long weekend!

Sincerely,
Bobby Samra and Rachel Ladd
(Principal) (Vice-Principal)

Letter from PAC Executive

Hello to all of the wonderful Martha Currie Families!

We hope that you are all doing well and that you and your families continue to stay healthy at home. We wanted to reach out to you to let you know that we miss you and that we are all still available. We continue to work together for the school and the kids. We are in contact with the school administration, the BCPAC and the District PAC to guide us on decisions during the pandemic. We are still a functioning PAC and please contact us at marthacurrie.president@gmail.com if you have any questions or concerns.

We are thinking of you and your families. We are available to answer any PAC related communications.

Thank you and Take Care!
