If you want to register in your own language scroll down to the end of the screen and look for “language” and select your preferred language.

- Once you have created an account and received the email confirmation, sign in to your account. Click “Add Student” and follow the prompts to attach your child. Be sure to attach your child to your account to receive notifications of fees posted online.

- After you have added your child, click “Items” from the top left menu. You will see your child’s name as a new tab beside the Surrey School District #36 tab.

6. Click on your child's tab to see any fees to be paid. Select the item you wish to pay for and follow the prompts for payment. You will be able to deposit funds into your account (MyWallet), pay directly from your chequing account (e-Check), or by Credit Card (Visa, MasterCard).
