Courier #201

September 17, 2021

Parents/Guardians,

We want to thank everyone once again for their patience as we organized classes for this year. All classes have now been up and running quite smoothly for the past couple days.

Follow our Katzie Library on social media to keep informed of library activities and events:

- Please complete a health check for your children each morning and keep children home if they are sick or present with COVID-like symptoms. In addition, please send your students to school with a mask. As per provincial health orders, all staff, parents and intermediate students (K to 4) are required to wear a mask in the school and all primary students are encouraged to wear a mask when inside.
- Although most of us are a community of pet owners/lovers, it is a district wide policy that no pets are allowed on school grounds.
- As you all know, we are a huge school community, which means our school parking lot is reserved for school staff.
- Also, absolutely no parking in the pick-up/drop off zone, as it serves as a priority for our school buses and emergency fire lane.
- Kindly call the school office if your child will be absent from school. You may also leave a voicemail the night before.

We are currently looking for a crossing guard to fill in as soon as possible. Anyone within our community interested in applying, please contact:

Len Mann, Crossing Guard Supervisor
604-597-4787

Please feel free to contact the office should you have any questions or concerns.

Sincerely,

Sol Lee , Principal
Katzie Elementary
