

Please Note

Dear Latimer Families,

It has been brought to our attention that people are still parking in the NO PARKING locations at **Greenside** and across the street at **the businesses**. Latimer has been advised that they will be asking cars to be towed if they are parked in these locations.

As always, we acknowledge that pick up times are very busy. To lessen the traffic, please walk to school if possible. If driving, we ask that you please use the “kiss and go” drive through to pick up and drop off your child. Staff as well as myself and Mr. McCrae, the Vice Principal, are outside to watch the students.

Thank you for helping keep our kids and community safe.

Regards,
Susan Yip
