

## **DROP OFF AND PICK UP DRIVETHRU UPGRADES**

In an effort to acknowledge and try to alleviate the increasing congestion from our growing population we are making some minor changes to our drive through lane. Please see the attached map that illustrates the changes.

As always, the left lane will be a no stopping drive through lane. The right lane will be the “kiss and go” lane where you will be able to drive through and drop off or pick up your child. There will be no waiting in this lane in an effort to keep the traffic flowing.

Once again thank you for helping to keep our kids safe during the busy drop off and pick up times.
