Parents/Guardians,

As many of you know, yesterday was our first day to narrow our parking lot/drop-off area down to only one lane. We were pleased to see that so many families walked to school or parked on one of the nearby streets. The drop-off area flow was a little slower, but certainly **a lot safer**. The bulk of congestion usually only lasts for 10 minutes: 8:25am-8:35am and 2:25pm to 2:35pm. Please consider dropping off your child a little earlier or parking nearby if possible. For pick up, cars are asked to circle around (keep moving) until your child can find your car at the front of the school. Alternatively, you can arrange to meet at an alternate location like 70th Avenue. We want to thank the many parent volunteers who came out to assist us with traffic control. As per the newsletter that was sent out, we will review our progress after two weeks and consider any changes from there.

Once again, thank you for your patience and understanding as we continue to look for ways to improve our parking lot/drop-off area challenges.

Sincerely,

A handwritten signature in black ink, appearing to read "Sol Lee", written over a light blue horizontal line.

Sol Lee
Principal
Katzie Elementary

School drop-off area at 8:30am (first bell) on Tuesday, November 27th!
