

November 30, 2021

Hello Elgin Families,

I hope this email finds you well.

I wanted to reach out today to inform you that the City of Surrey (Engineering Department) have visited our school site multiple times to assess the parking lot over the past few weeks.

You will notice over the next couple of weeks that they will be installing signage at the parking lot exit that limits left turns at specific times of the day. When exiting the school parking lot, **left turns will not be allowed between 7:00 AM to 9:00 AM and 2:00 pm to 4:00 pm**. We will be placing cones near the exit to block left turns in the mornings and in the afternoons to help with traffic flow and allow for right turns only. **This is only for when vehicles are exiting the parking lot.**

Please share this information with your young drivers as well. We will share via the announcements and tv screens with the students here at school but as parent/guardians, it would be beneficial for them to have conversations at home with you as well about this change. Please also continue to remind your young drivers that while driving, they must adhere to safety rules that include limiting passengers, maintaining posted speed limits, and also using extra caution as they maneuver the parking lot during peak times especially. Safety is very important to us and we will also continue to remind students about these safety expectations.

We appreciate your patience as we work on implementing these safety measures.

Thank you.

Ms. Kavita Sharma
Principal
Elgin Park Secondary School
