

Parking Lot Safety - January 2017

The cold snowy weather has created some new challenges in terms of our Staff Parking Lot.

- The parking lot is for staff parking, field trip drop offs, Surrey District delivery and emergency vehicles only.
- It is not for parents to drop-off/pick-up children. During the snow and ice, many parents have been using our parking lot – please stop!
- If you are parking on the street, be aware of no parking areas as cars are being ticketed by the city
- Please hold your child's hand when you are walking them anywhere near traffic
- Remind students to walk on sidewalks only (not through parking lot or on drive through road)

We understand there is a traffic jam at the school during morning bell and dismissal bell. One alternative to avoiding this 'jam' is to come a little earlier in the morning and pick up your child a little later at the end of the day. **The drive through area is NOT for parking and waiting for your child, even if you stay in the car.**
