March 4, 2020

Dear Parents and Guardians,

Parking Update:

As many of you are aware the district has officially confirmed that our little school will be growing to a K-7 school over the next few years. With this growth will come changes, some we have already started to experience this year. We have limited parking space for staff and this includes our part-time staff that arrive and leave at various times throughout the day. After a long discussion with staff and listening to some concerns of our parent community we have decided to change some of the parking rules and regulations.

As of **Monday March 9, 2020**, we are asking that all parents please park in the lot across from the school. This includes the pick-up and drop off time frames for the parents and students of the West Coast Early Learning Centre preschool program.

The inside parking lot will be reserved for school district staff, as well as the pick-up and drop off of before and after school programs (KIN shuttle and West Coast Early Learning staff and before and after-school).

I thank you for your continued support and feedback of our Outdoor Learning Program. Please do not hesitate to contact me if you have any concerns or questions regarding this matter.

Sincerely,

Ms. Alison Leslie
