Dear Parent/Guardian,

One of our intermediate students reported to the school a suspicious circumstance that occurred late last week while she was on her way home from school.

A man driving by tried to convince the student to get in his car. Fortunately, the girl ignored him and continued home nearby. As a precaution, police were called to look into the matter and their investigation continues.

I am sharing this information with you so you are aware and provide you the "Stranger Danger" safety precautions as a reminder:

- Don't take short cuts. Use main routes...avoid lanes, forested or secluded areas.
- Walk with friends.
- Tell someone where you are going and when you will be back.
- Phone home when leaving a friend's house and say when you will be home.
- Don't assist strangers.
- Trust your instincts and your feelings.
- Phone if you are going to be delayed, or if your plans change.

Please feel free to contact the school if you have questions or concerns.

Sincerely,

Tammy Stubbings
Principal
