STUDENT LEARNING

Foundations of our curriculum

- Competencies:
 - Critical and Creative Thinking
 - Communication (oral, written, visual)
 - Personal and Social (personal awareness, identity, social awareness)
- Literacy and Numeracy Foundations
- Inquiry – Developing curiosity and knowledge about the world
- First People's Principles of Learning – Experiential; Connectedness and well being of self, others, the land;

SCHOOL GOALS

Focus on Writing in Previous Years (collecting evidence of learning)

Considering shift to Numeracy Foundations

SCHOOL-WIDE PROFESSIONAL LEARNING FOCI

Numeracy foundations

Literacy Foundations

Outdoor Learning (supports inquiry) (Book Club)

Developmentally-appropriate play in nature (Book Club)

CLASS RE-ORGANISATION

Will be happening following a district survey sent to parents mid November.

Once we know how many students will be returning Face to Face, we will make adjustments to classes.

Students and parents/guardians will know of any changes December 14th.

QUESTIONS OR CONCERNS

Please don't hesitate to call or email.

Thank you for trusting us with your child/children.

We are committed to keeping your child safe – physically and emotionally.

We are committed to supporting their intellectual and emotional development and growth the best we possibly can.
