Date: Friday, April 20 – Sunday, April 22

Location: Salt Spring Island

Sponsor Teacher: Mr. Korbbutt

This Week at Fleetwood Park - April 9th - April 13th, 2018

Good morning Dragons!

Spring Break is behind us and we are now back into the routines and flow of school life at Fleetwood Park Secondary. The final term of the year is just around the corner, and we continue to celebrate the powerful learning happening within our community. This is a very important time of year with much happening within the curriculum of the classroom and the extracurricular events across our school. Our students and staff are highly engaged in the business of learning!

On Monday and Tuesday of this week, we participated in the BC Ministry of Education's Student Learning survey for all of our Grade 10 and 12 students. Thank you to all students for your thoughtful reflection on your progress at Fleetwood Park Secondary, and to all staff for your support in allowing the survey to happen. We will review the results with care and attention, and use this information to inform the systems and culture of our school.

On Tuesday, we had an opportunity to meet with District representatives regarding the telephone functionality and Unified Communication systems within our school/district. Thank you to the participating staff. If you have thoughts on how our telephones and/or communication systems could be improved, please let me know, and I will forward this information along.

Wednesday at Fleetwood Park was a busy and exciting day with the 2nd staging of the Grade 10 Mock Interviews hosted by our Career Education Department, and widely supported by many community volunteers. Again, this was such an important opportunity for our students. They were given a rich learning experience with helpful feedback; and will be able to use these new skills for their future employment interviews. Well done Career Education Department Head Mr. Day and all of our helpers!

On Wednesday, we also hosted the Euclid Mathematics contest. Approximately a dozen students were competing against others from across the country. Good luck; we know you will make us proud!

On Wednesday evening, our FPSS Dry Grad Committee met to continue their planning and fundraising for this year's Dry Grad. The committee has been working very hard and has hosted numerous events over the course of the school year. They have a Clothing/Small Household Items Drive and Bake Sale scheduled for Saturday, April 21st 10:00am – 3:00pm in our school parking lot. All Fleetwood Park families are invited to drop by and help support the event. The committee is also planning our upcoming Dry Grad Boat Cruise scheduled for Friday, April 28th for our graduating students. We are looking forward to this special evening of community and celebration. The organization, fundraising and hosting of Dry Grad is a very significant commitment requiring the hard work of many people. I would like to again thank all our parent volunteers for your many hours of service to our graduating class. This Dry Grad tradition is such an integral part of our school, and will be an event to remember for our graduates. The creation of a safe, fun and memorable graduation evening for our students/children is so important. Thank you to all parents for supporting Dry Grad 2018!

of Greater Vancouver
Clothing Donation

On Wednesday afternoon, our Track and Field team showed their grit and determination as they competed in the driving rain and wind at Bear Creek Park. We had a very successful, and soggy afternoon of personal bests and victories! Way to go Dragons!

On Thursday, we met with Staff Committee to review our upcoming Round 1 postings for next year's timetable. The creation of positions, internal reassignments, and the filling of these postings is an important process for the school. All teachers are encouraged to see me if you have any questions regarding this transfer process.

On Thursday all of our Grade 8 students participated in a World Religions fieldtrip. Students visited several places of worship as part of the Social Studies Curriculum, and enjoyed an interesting day of learning. Thank you to Mr. Lo for organizing the day.

On Friday morning, we are hosting our first "Tea and Tour" for a small group of grade 7 parents. This will be an informal opportunity to meet and welcome next year's families to the school. We will talk about the school and our grade 8 program, answer questions and go for a tour. Grade 7 parents are encouraged to contact our office to reserve your seat. We will be offering a few sessions over the next month. Staff, please feel free to introduce yourself and say "Hi" if you see us touring the building.

Have a great Friday and weekend. We hope you enjoyed your week!

Ken

Mission Statement:

"At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures."
