Sponsor Teacher: Mr. Heggie

Wednesday, May 9 – Thursday, May 10 - 9:30 - 2:45
KPU Langley

Sponsor Teacher: Mr. Gough

Kudos to:

Congratulations to our Junior and Senior Girls Soccer Teams. Our seniors are now undefeated in league play for the past 10 years and finished first in their division! Today our Grade 8/9 girls are playing for the Surrey championships. We are very proud of the outstanding performances by both teams. Way to go Dragons and good luck at the Fraser Valley's!

This Week at Fleetwood Park - Principal's Message: April 30th – May 4th

It is Thursday morning at Fleetwood Park Secondary. Good morning Dragons! I hope your week has brought you new opportunities and interesting challenges.

I wanted to begin this week by recognizing our Grade 12 students who participated on last Friday evening's Dry Grad Boat cruise. It was a beautiful evening of friendship and celebration. Despite the late start due to horrendous Friday night traffic, our Dry Grad Committee successfully hosted 113 of our graduating students on a very scenic cruise around the Vancouver harbour. Our students were excellent ambassadors for our school, and enjoyed the chance to socialize in a safe and fun environment with their fellow graduates. Great thanks to parent volunteer Ms. Samra and the Dry Grad Committee for all of your hard work in organizing the trip.

This week our students received materials to raise awareness and recognize the National "Day of Mourning". Last year 158 workers in BC died from a workplace injury or disease.

Day of Mourning BC

 ORDER 
DECALS & POSTERS

 LEAVE A NOTE
IN HONOUR OF A FALLEN WORKER

Day of Mourning

Last year, 158 B.C. workers died from a workplace injury or disease. Now, families and communities are left to mourn.

Across Canada, April 28 has been designated the Day of Mourning. As workers, families, employers, and communities come together at ceremonies held around the province to remember those who have lost their lives to work-related incidents or occupational disease, let's renew our commitment to creating healthy and safe workplaces.

April 28th has been designated as the Day of Mourning to remember those who have lost their lives to work-related incident or occupational disease.

Monday was a busy day at the school with special assemblies for our Grade 8 and 9 students. Internet and Social Media expert, Mr. Jesse Miller, presented to our students about the power of the internet, the importance of communication, the opportunities in technology, and the impact of the story that our students create for themselves through Social Media. Our students were highly engaged throughout this very relevant and important conversation. In the evening, Jesse returned to speak to our Parent Advisory Council, with advice and information on how parents can help support their children through the digital age.

We also held our Staff meeting on Monday afternoon, and had the opportunity to formally say farewell to Vice Principal Mr. Sean Chambers. Mr. Chambers will be completing a Principalship internship at Lena Shaw Elementary school over the next two months. We know he will enrich the lives of all of his new students and staff. With this, we would like to welcome Acting Vice Principal, Mr. Harjot Ghuman, to our Administration team.

Our Student Council organized a fun lunchtime activity on Tuesday afternoon with a very popular pie eating contest. Lots of pie was consumed, and there were many smiles all around!

The first day of the Surrey Track meet was held on Tuesday afternoon. Fleetwood Park Secondary was represented by a very talented group of athletes. It was a perfect afternoon of sunshine and teamwork. The Track Meet continued on Wednesday and will conclude with a full day of "finals" on Friday. Thank you to our Track and Field coaches Ms. Forsyth, Mr. Gabel, Ms. Bryant and Mr. Thibeault. Congratulations to all of our very impressive participating students.

On Thursday morning, I had the chance to drop by and visit Mr. McLoughlin's Social Studies class. The students were learning about World War 1 trench warfare and were given the chance to participate in an active and very memorable learning activity.

Friday is a Professional Development Day across the Surrey School District. I wish all staff an enjoyable day of learning and networking. We will all be back on Monday morning and ready for learning at Fleetwood Park Secondary!

All the best,

Ken

Mission Statement:

“At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures.”
