### **This Week at Fleetwood Park - Principal's Message: May 28<sup>th</sup> – June 1<sup>st</sup>**

We are entering the final month of the 17/18 school year, and much is happening at Fleetwood Park Secondary. Our year has moved past us very quickly, and the final weeks will move even faster as we celebrate and recognize the many accomplishments of our students. The rituals and traditions of our school are very important and help us create the culture of our Dragon community.

On Sunday evening, we hosted a very special and significant event for our graduating students as we came together for our annual Dinner-Dance and Dry Grad. It was a wonderful time of celebration for our students. Our graduating class of 2018 enjoyed an evening of friendship and recognition with food, music, entertainment and fun. I would like to thank Ms. Shier and her organizing committee for your work in hosting the Dinner Dance. I would also like to thank parent volunteers Ms. Bains and Mr. Earle and our Dry Grad Committee participants for your many hours of fundraising and planning in hosting such a successful Dry Grad. This year we had approximately 220 students enjoy a safe and fun event at the Cloverdale Recreation Centre after the Dinner Dance. It was a memorable evening!

With the very recent and successful hosting of this year's Dry Grad, now is the time to start thinking about next year's Dry Grad! We are looking for a group of parents of grade 10-12 students to form next year's committee. If you are interested in chairing, or co-chairing, or coordinating a particular fundraiser for next year's Dry Grad, please contact me. This year's committee is able to provide their guidance and support in helping to set the stage for another great event in 18/19.

Also over the weekend, the Fleetwood Park Girls Rugby Team competed at the Provincial Championships in Williams Lake. I am very pleased to let everyone know that our team finished 2<sup>nd</sup> place in BC! Congratulations team!

The Fleetwood Park Ball Hockey team was also in competition at the Provincial finals on the weekend... our boys finished 2<sup>nd</sup> in British Columbia! Congratulations Dragons!

On Monday evening, the Parent Advisory Council met for their final meeting. Our PAC has provided great support for our school over the year. I would like to thank all members of the PAC Executive and all parents who attended the meetings this year. You have made a difference in the lives of our students. The first meeting of the 18/19 school year will take place on September 24<sup>th</sup> at 7:00pm in our library. All parents/guardians are invited to join us.

On Tuesday, our Staff Committee met to review the final details of next year's Bell schedule. Please see the attachment in this newsletter for details regarding class times and Flex day scheduling of 18/19 school year. Again, I am very pleased to announce that we will be running a regular, 4-block schedule next year. As enrollment is projected to increase over the next few years, we will need to consider an extended day schedule (5 blocks) for the 19/20 school year. However, this decision will be made next Spring based upon actual enrollment. Thank you to all staff, students and parents for your patience and understanding as we navigate through the complexity of enrollment capacity and scheduling.

“The Lonely Hearts Club” is our 2<sup>nd</sup> major Drama production of the year. Opening night was on Tuesday evening. The show’s closing performance is tonight – make sure you have tickets! Doors open at 6:00pm. Kudos to Mr. Rossiter and the cast and crew of the show – congratulations for all of your very hard work in bringing this production to life! We have such a talented Theatre Department. We are very proud of you all. Way to go Dragons!

The Surrey School District's Aboriginal Honouring Ceremony occurred on Wednesday evening. It was a privilege for Ms. Shorson and myself to attend and recognize and celebrate the hard work and dedication of our school's and district's Aboriginal students. Congratulations.

This week Ms. Porter's Art students were practicing their composition skills as they drew 'objects in nature'. Our students were immersed in nature while studying nature. It was a powerful learning combination!

On Friday evening, we will be hosting our annual Fleetwood Park Secondary Zumbathon! This fundraiser for fighting cancer, hosted by Ms. Chong, is another great tradition of our school. It promises to be a fun and active evening! Hope to see you here.
