**Please
RETURN
YOUR
LIBRARY
BOOKS**

We have great readers at Fleetwood Park!
Currently, there 418 *overdue* library books though.
If your student(s) has one of those books,
please remind them to renew or return their items.

**Counsellor's Corner:**

YOUR WORDS		MATTER
INSTEAD OF...	TRY	
	Be quiet.	Can you use a softer voice?
	What a mess!	It looks like you had fun! How can we clean up?
	Do you need help?	I'm here to help if you need me.
	I explained how to do this yesterday.	Maybe I can show you another way.
	Do I need to separate you?	Could you use a break?
	Stop crying.	It's okay to cry.
	Do you have any questions?	What questions do you have?
	You're OK.	How are you feeling?
	It's not that hard.	You can do hard things.
	We don't talk like that.	Please use kind words.

**WE ARE
TEACHERS****FIELD TRIPS**

Dec. 14 - Dec. 23		Mr. Day / Mr. Thibault	Hawaii

This Week at Fleetwood Park - Principal's Message: November 26th to 30th

Good morning Dragons!

This week, school-life at Fleetwood Park Secondary returned to normal as our measles exposure protocols concluded. We have had a busy and positive week of learning.

Our week started with great news from our Athletics Program. Congratulations to our Sr. Girl's Volleyball team for finishing first in the Province at the BC's this past weekend! Congratulations to the team for your incredible success.

We also received wonderful news from our Science Department. Our Sr. Science Challenge team finished in 1st place last weekend at the Kwantlen Polytechnic Science Challenge! Way to go Dragons!

On Monday at our Staff meeting we enjoyed two excellent student presentations from our Performing Arts Departments. Over the next few weeks we will be hosting Dance, Music and Drama performances. All members of the Fleetwood Park community are highly encouraged to join us and enjoy the special talent and dedication of our student dancers, musicians and actors! Our students and staff have been working very hard, and I know that the evening performances will be great successes.

On Monday evening our Parent Advisory Council met. I would again like to thank the PAC for their financial support of our numerous extracurricular programs this year. This support makes a direct difference in the lives of our students. Our Dry Grad Committee also provided an update at the meeting. This hard working group of parents is very busy with [numerous fundraisers](#), and have started selling tickets for Dry Grad 2019. Please support our Dry Grad 2019! Again, I would like to thank all members of this year's Dry Grad committee and remind all Fleetwood Park Secondary graduates of 2019 to purchase your tickets now.

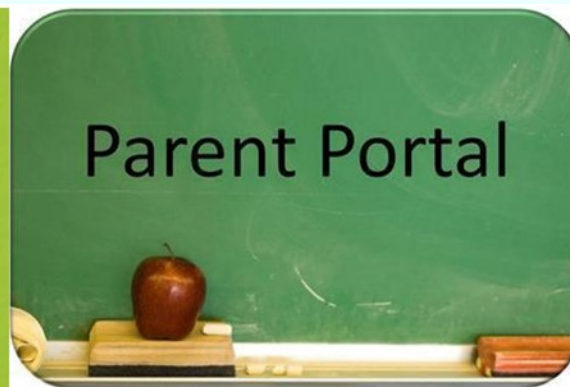

The midterm report cards for Semester #1 were made available on the MyEdBC parent portal this Tuesday. The creation of the report cards is a very important and significant part of our work with students and their families. Great thanks to all teachers for your professional evaluation and feedback. All students are encouraged to use this feedback to help support your learning goals and to guide your learning over the second half of the semester. Parents/Guardians are reminded that [instructions for accessing report cards on MyEdBC](#) are found on our homepage. Please contact the school if you are unable to log into the system and need additional assistance.

MyEdBC Parent Portal

Family instructions to MyEdBC Portal

Attached are the instructions to register for Portal access. This will enable parents to see and print report cards. Please read the directions carefully, and log in the first time from a computer, not a mobile device or cell phone.

[MyED BC Portal quick reference...](#) [Full Story](#)

On Tuesday, our Aboriginal Support Team met to discuss the importance of the First Peoples Principles of Learning and their relevance for all of our school community. This newly formed team of professionals will play a very significant role in supporting our students, our new curriculum and our community. My thanks to all participants for your voice and your expertise.

This week Fleetwood Park Secondary has been hosting the “DELTA” exams. This is an important Language Proficiency exam for post-secondary application. I know our students and parents are very appreciative of this opportunity provided by the school. It is a very significant and large organizational task. Great work and thank you to Department Head Mr. Grant and the members of our Modern Languages department for all you do to make this possible.

On Wednesday, we welcomed the RCMP and their “Healthy Relationships” presentation to Fleetwood Park Secondary. They presented to our Grade 8-10 students and helped support safe and healthy relationships and decision-making with useful and very relevant information. Thank you to School Response Officer Constable Olsen for your presentation.

On Wednesday, our Senior Boys Volleyball team was in action at the BC Provincial Championships at the Langley Event Centre. The boys were supported by a large contingent of cheering Dragon fans! Great time had by all... and wonderful memories for our volleyball players and fans alike. The boys won their first two games of the tournament, and we wish them good luck today.

On Thursday evening our Grade 9 -12 Concert Band students will be performing at the Bell Centre at 6:00pm. Parents/guardians and staff are welcome to join us at the concert. Tomorrow morning the Music Department is hosting a special workshop for our student musicians. The plaza will be a lively and entertaining musical venue!

Also on Friday, I will be hosting the Administration from our Family of Schools (Walnut Road Elementary, Coyote Creek Elementary and William Watson Elementary). This will be an opportunity to review our upcoming articulation plans and explore possible new partnerships within our community of learners.

This week I had a chance to visit our Textiles 8 classroom. Our students were hard at work learning new sewing machine skills. The students were enjoying themselves and highly engaged in their learning.

As you can see, it has been a full and interesting week for all of us. There are now only three weeks remaining before the Winter Break. Our time together between now and the 21st will go by very quickly and will provide many special celebrations of learning and community. I encourage all staff, students and parents to embrace the excitement of the season and the many opportunities that the Fleetwood Park Secondary community will provide.

All the best for a great Friday and a happy weekend.

Ken

Mission Statement:

“At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures.”
