October 31	Program Planning & Evaluation - early dismissal at 1:45 pm
November 1	Parent/Teacher Conferences - early dismissal at 1:45 pm

Kathy's Corner

Photo Day: Thank you to all staff for making Photo Day a success. We were able to photograph all classes as planned before the end of each block. At the end there were very few white cards left – indicating an excellent turn out by students. We anticipate Student Cards will be received in approximately two weeks. We will need to call a brief homeroom to distribute them – I will work to give as much notice as possible. Retakes are scheduled for October 17th. Students who did not purchase a photo package will not be eligible for a retake if they don't like their picture – it would only be redone if there is an obvious photography error.

This Week at Fleetwood Park - Principal's Message: September 17th – 21st

Happy Thursday morning at Fleetwood Park Secondary!

Autumn is just around the corner and we have been enjoying the beautiful colours of the season.

This week at FPSS we have begun to move into the routines of the first semester. Although we are still balancing some classes and adjusting student timetables, this first start-up phase is almost complete. We are seeing students and staff settle into their curricular and extracurricular schedules and activities; and we are enjoying the welcoming special events that help establish our school community and school year.

On Monday we met as a staff to review a variety of start-up systems and events. We also had the opportunity to hear from our Student Council President about their plans for the beginning of the school year. We are very fortunate to have such a positive and hard-working group of student leaders supporting our school and enriching our spirit! I would like to thank all members of this year's Student Council and our teacher sponsors Ms. Marti, Ms. Bell and Mr. King. Your service to our community makes such a difference for us all.

Tuesday was Photo Day at Fleetwood Park. It was a busy and well-organized day of smiles and tradition. Great thanks to our Leadership students for your assistance. Students are reminded that Photo Retake Day will be on October 17th. School photos may be ordered through Artona.com.

This week our senior Science Lab Tech. students were busy preparing their special project that will be used to start this year's Terry Fox Run. The sound of Science!

I had a chance to say “hello” to some of our International students this week as they combed the school for their Scavenger Hunt activity. Again, we are so fortunate to work and learn within such a rich and diverse multicultural school population. We welcome our International students to Fleetwood Park, and know that their year will be filled with powerful learning, friendship and fun.

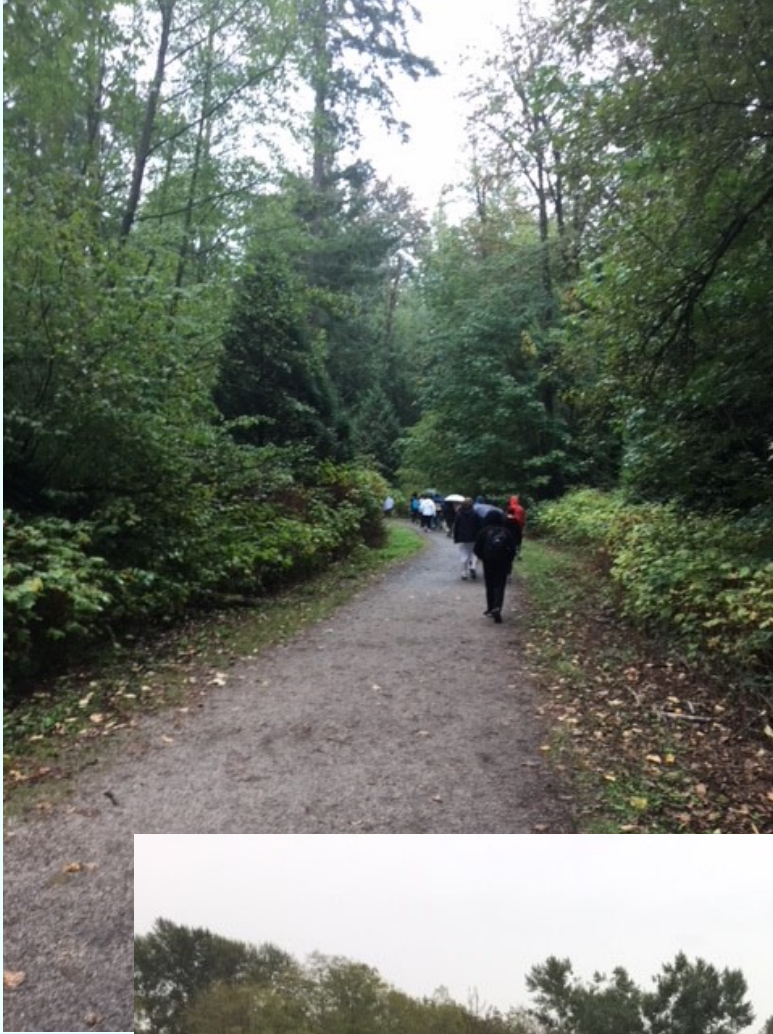

The Fleetwood Park Secondary Learning Commons is a beautiful and engaging space for our students and staff. It is wonderful to see our school taking advantage of the many resources we are able to offer. All students are encouraged to drop by and check out our new books, or the Maker Space Club or our Library Club... or drop by at lunch for a good read!

Today we are really hoping the rain holds off as we participate in our annual Terry Fox Run and Welcome Back BBQ this afternoon. We will be walking through the trails of Fleetwood Park as we raise funds for cancer research. Last year we raised over \$2000.00 for the Terry Fox Foundation; and we are hoping to match this amount this year. Our staff will be at the BBQ and serving students a snack upon their return from the walk. It is a great way to thank our Dragons for their contribution and participation, and to welcome everyone back to the new school year. Again, thank you to our Student Council for coordinating the event and to all staff for helping to serve, supervise and assist.

Home of Dragon Pride
“Building Successful Futures”

This week our staff has been busy getting ready for our upcoming Grade 8 Retreat. Mr. Thibault, has been training our student leadership volunteers, and the excitement is growing! The Grade 8 Retreat is now a 16-year tradition at the school, and a highlight of our students' experiences at Fleetwood Park. Students will learn more about our "Breathing Fire" school culture-building initiative, meet new friends, learn more about the school and the wonderful opportunities they will have as Dragons.

I hope your week went well, and that you are enjoying the start of the 2018-19 school year. Students, parent/guardians are reminded that Monday is a Professional Development Day. We will see you on Tuesday morning for another full and vibrant week of learning.

All the best,

Ken

Mission Statement:

"At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures."
