## This Week at Fleetwood Park - Principal's Message: September 4<sup>th</sup> – 7<sup>th</sup>

Welcome back Dragons!

Welcome to the 2018-19 school year at Fleetwood Park Secondary! We come together as a community of learners and I know that our time together will again be filled with much success and powerful learning. As I begin my second year as a Dragon, I am honoured to help guide and support the Fleetwood Park Secondary community as Principal. I celebrate our school spirit, our caring, professional staff, our fantastic student body, excellence in all forms of learning we witness daily, and the partnerships with our community-at-large. Together, we will create a vibrant, safe and supportive community where students, parents, staff and community work together in collaboration.

As a school, our Mission is clear. We will value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures. We will value lifelong learning, friendliness, involvement and school spirit. We will encourage creativity, the development of life skills, personal and social responsibility, a positive attitude, a strong self-esteem and self-confidence. We commit to academic excellence, preparing students for future challenges and opportunities, cooperation between students, staff, parents and the community. I know that our students will make us very proud and that our time together will be special.

This year our enrollment is approximately 1518 students. We have 85 teachers and 29 support staff. Our school is ready for another year of learning. This Fall, we welcomed several new teachers to Fleetwood Park:

Mr. Kirincic – Vice Principal  
 Ms. Caliman – English  
 Ms. Pylypiuk – English  
 Ms. Kotsalis – Modern Languages  
 Ms. Bhatia – Science/Math  
 Ms. Floris – Modern Languages  
 Ms. Miki – Learning Support  
 Mr. Clark – Technology  
 Ms. Nandanavanum – Science/Math  
 Mr. Bont – English/Socials.

We know your time at Fleetwood Park Secondary will be very meaningful and that you will be warmly welcomed into our Dragon family.

It was a busy and fun Tuesday for all students and staff as we returned to reconnect with each other. Excitement and hope of a new beginning filled the air and it was wonderful to witness the smiles and energy across our campus. In addition to scheduled homerooms, we met with all of our newest Dragons, our grade 8 students and graduating class of 2023, to welcome and orient them to our school.

On Wednesday, regular classes started, and students and teachers began their journey together. Again, an exciting and busy day for us all. Thank you to everyone for your patience as we go through the usual start-up procedures and challenges.

Throughout the week our Counselling team has been busy working with student timetables. Our timetable was built based upon last Spring's course requests, and as such, there is very limited capacity for course changes. Counsellors are making steady progress, have an organized and efficient system in place to meet the needs of our students. I would again like to remind students that the time for course selection was last Spring; not in September. At this time of year, our counselors focus on students with incomplete timetables or missing graduation requirements. Requests for elective course changes should have already occurred last Spring. I would like to thank our Counselling team for your calm, professional and diligent work in working through the timetable adjustments.

And so, after a summer of sunshine, rest and adventure, our 2018-19 school year is underway. On behalf of the entire Fleetwood Park staff, welcome back!

Ken

**Mission Statement:**
