Friday, December 15 – 8:30am - Saturday, December 16 – 4pm

Victoria

Mr. Thibault

This Week at Fleetwood Park

Principal's Message: December 4th to 8th

Good morning to all Fleetwood Park Dragons. Happy December!

It has been a week of beautiful, crisp and clear weather. The blue sky and sunshine have been glorious. As we move toward the Winter Break, there is an excitement growing across the school and our students and staff are highly engaged in school-life. At this time of year I am always amazed and impressed with the breadth of activities that occur in school, and the value of our traditions and celebrations. This week has been no exception.

Our Student Council has been very active across the school recently hosting “Photos with Santa”. It was wonderful to see the spirit of the season and the delight of our students as they posed with Santa.

The Student Council concluded their annual food drive this week. This is such a significant display of our school's citizenship. Thank you to all students and staff for your contributions to this very worthy cause. The generosity you have demonstrated defines who we are as a school community and your donation will directly help the lives of many Surrey families. I would like to recognize the leadership and hard work of our Student Council members and thank them for all of their efforts in spearheading this important initiative.

Over the week, in addition to our Student Council initiatives, our school has been involved in several other extra-curricular events. The Fleetwood Park Secondary Earth Club recently helped with our school grounds clean-up project. Thank you to all members of the club for helping to make our school a clean and welcoming place for all.

This week our school community was privileged to witness the talents, creativity and hard work of the Fleetwood Park Secondary Dragon Tales Theatre Company. Under the direction and guidance of Theatre teachers Mr. Rossiter and Mx. Bennett, our theatre students staged the production of “Game of Tiaras” to very appreciative audiences of families and friends. I had the chance to watch the performance on Wednesday evening. I was so pleased with the entire cast and crew and their accomplishments both on the stage and behind the scenes. The energy, commitment and dedication they demonstrated was outstanding. It was such a positive evening of comedy; the audience was thoroughly entertained and very proud and happy. Congratulations and bravo to Mr. Rossiter and all of the Fleetwood Park Theatre Company. We look forward to future Drama productions at Fleetwood Park Secondary.

On Thursday at lunch our Jazz musicians entertained us with a lunch-time Christmas Jazz concert!

On Thursday evening the Fleetwood Park Music Department hosted their Winter Jazz Night. Again, we were delighted to see and hear the results of our students' hard work, talent and creativity. Our student musicians provided us a beautiful evening of Jazz. Thank you to Mr. Gough and Mr. Tse and all of our Jazz Band students for this gift. Congratulations on all you have accomplished as musicians.

Time moves quickly at Fleetwood Park Secondary, and we are already at the end of another full and interesting week. I hope that all students and staff have enjoyed the challenges and rewards of new learning experiences throughout the week. Have a happy Friday and a relaxing weekend!

Ken

Mission Statement:

"At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures."
