‘Zumbathon’ led by Elaine Chong draws 350 people to Fleetwood Park Secondary gym

This Week at Fleetwood Park - Principal's Message: February 18th to February 22nd

Happy Thursday morning Dragons! It is a beautiful day at Fleetwood Park Secondary as we soak up the sunshine between snow storms.

We are about to enter the final week of February and our 2nd semester start-up is now behind us. The Fleetwood Park Secondary school community is highly engaged in learning and our students and staff are busy! This is a very opportune time to remind all Dragons that each and every one of us is integral to the vibrancy and success of our school. The support that we receive from each other directly creates the school spirit and community that we all enjoy. Thank you for all you do to make Fleetwood Park Secondary such a caring community of excellence in learning!

This week started with a Family Day holiday. I hope your day was enjoyable and spent with family and friends. We returned to school after the long weekend for a shortened, but full week.

On Tuesday, we had the chance to meet with the School District Grounds Maintenance Department to begin planning for the creation of our school garden. This is an exciting project led by Mr. Church and a motivated committee of staff. Our goal is to begin the construction of a garden behind the school this Spring. Ideally, we will grow a variety of vegetables, herbs and flowers... and help supply our Teaching Kitchen with fresh produce. I would like to thank Mr. Church, our Garden Club and Garden Committee, for your success with our initial proposal. We look forward to the powerful educational opportunities a garden will provide our students, and a bountiful harvest that will be enjoyed by many!

On Wednesday, Grade 9 students participated in the Fraser Health Authority Immunization for Diptheria/Tetanus. All grade 9 students were asked to report to the library for their immunization. Any Grade 9 students who missed the immunization are asked to contact the Fraser Health Authority (Public Health Nurse) for rescheduling information. 604-587-4750

On Wednesday evening, we hosted our first Grade 9-10 Parent Information Night. We presented to a full house of parents/guardians interested in learning more about the new British Columbia Curriculum, Provincial Assessment requirements, Graduation requirements, Course Selection, Scholarships and more. Thank you to Counselling Department Head Ms. Porter for your informative presentation. We had the opportunity to meet many parents, the presentation was well received, and will help parents support their children as they move into the Graduation Program.

On Thursday morning, our PHE classes were getting fit with P90X. Great work everyone!

On Thursday we met for our monthly Staff Committee meeting. The committee is currently reviewing our school's Hat Policy and discussing the original rationale for the policy. Thank you to all participants for your feedback! More to follow on this.

Tomorrow, Friday, February 22nd is a Non-Instructional Day across the Surrey School District. School will not be in session. Fleetwood Park Secondary will be hosting a workshop with teachers from our 3 Associate schools, Walnut Road Elementary, Coyote Creek Elementary and William Watson Elementary. The focus of our session will be "screen time" and its impact on the health and education of our children. It promises to be a very interesting morning.

Also on Friday, our Music Department will be performing at the Surrey Schools Jazz Festival at the Bell Performing Arts Centre and Sullivan Heights Secondary.

Ensemble	Time	Performance Venue
Junior Jazz Band	7:30 am	Gym
Intermediate Combo	8:00 am	Library
Senior Jazz Band	9:40 am	Bell Centre Stage
Vocal Jazz Ensemble	10:45am	Band Room
Intermediate Jazz Band	3:10pm	Bell Centre Stage

We wish all of our student-musicians the very best for your upcoming performances at the Jazz Festival!

Our Fleetwood Park artists continue to be very prolific and very creative!

All the best for a happy Friday and relaxing weekend! See you on Monday.

Ken

Mission Statement:

"At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures."
