

École Panorama Ridge Secondary
Peer Tutoring 11/12 Course Outline

Course Rationale:

Peer tutoring 11/12 allows students an opportunity to learn by teaching, an experience not offered in regular classrooms. Peer tutoring provides students with practice in the subtle interpersonal skills necessary to motivate their peers, provide leadership, and develop professional working relationships. This course will also develop and explore student interest in the helping professions.

Course Synopsis:

Peer tutoring 11/12 allows students an opportunity to examine and share knowledge and learning strategies. This course is designed for peer tutors to address the diversity of a given student population and model successful learning behaviors, as well as organizational, study and communication skills.
