

Getting rid of pumpkins?

Why not feed them to these guys?

Photo: Cathy at Laurica Farms, Aldergrove

Bring your pumpkins to school **Friday**
November 1 @ dropoff and we will recycle
them as part of the Pumpkins for Pigs
Program!

Please make sure:

- They are not mouldy
- There is no marker on the pumpkin (or cut it off!)
- There is no candle wax inside
- Uncut whole pumpkins are even better!
