Due to our need to be safe and socially distant payment for orders will be collected through schoolcashonline.com, the same site that families use to pay school fees. The student named at the top of this form will be given the “debt owing” for the total cost of your Purdy’s order.

Order forms can be emailed to Ms. Young: young_michelle@surreyschools.ca who will send an email back to confirm that your order was received.

Forms are due: **February 16, 2021**
 Orders will be available for pick up approximately a week later. *(delivery times and number of orders will affect this)*
 When orders are ready we will share the pick-up date on the school’s social media accounts and announcement app.
