Ready, Set, Learn is a program designed to provide children and families with an opportunity to gather information about early learning. This early learning program is part of an initiative sponsored by the Ministry of Education.

Parents/caregivers will receive helpful tips to support their child's learning and development, as well as information about the early learning programs offered by the school district and the community resources available to families. It is a great way for you to connect with your future school and community!
