

## Remembrance Day Assembly

**Our assembly this year is scheduled for tomorrow at 10:30 AM. We understand that some parents like to attend however, due to school growth, we are unable to accommodate parents. The Fire Marshalls and District have a capacity limit for our gym which we cannot exceed.**

**Teachers will provide students with poppies tomorrow. We encourage all students to bring a small donation. Collection tin (s) will be at the front office as well as the main door to the gym at the assembly.**
