

Dear Grandview Heights Secondary Parent/Guardian:

Please log on to the MyEdBC Student and/or Family Portal using the user ID and password to access your child's last published report card. The [November 2024 Published Report Card](#) for your son/daughter will be located on the **Pages** top tab > **Home** page > **Published Reports**.

Linear Courses: Please note that this is an 'INTERIM' Reporting Period. Proficiency Scale/Percentage/Comment will be provided at the January Reporting Period. Please contact the teacher if you have any questions.

The screenshot shows the MyEducationBC SDTest portal interface. At the top, there are navigation tabs: Pages, My info, Academics, Calendar, and Locker. Below these, there are sections for Announcements, a welcome message, and a notice about weekly maintenance windows. The main content area is titled 'Welcome to MyEducationBC SDTest' and includes a 'Published Reports' table. A red arrow points to the first entry in the table, which is 'Report Cards - Middle Years and Secondary 32 K8 30/01/2017 9:33 AM'. The table has columns for Filename, DateUploaded, Creator, and Description. Below the table, it indicates '[1 - 1 of 1]'.

The Report is listed with the following information:

- **Filename** – is the name of the report 'Report Cards – Middle Years and Secondary'
- **DateUploaded** – date and time the report was published
- **Creator** – the name of the person who published the report
- **Description** – says *Report card for* and then the Student's Name

Clicking on the filename will open the PDF file for viewing or printing. We strongly encourage parents to save or print the report card for your own records as it will only be available online until **July 12, 2025**.

Logging into the portal **MUST BE DONE ON A DESKTOP COMPUTER THE FIRST TIME.** A mobile device may be used after that to log in to the portal.

Please keep in mind that students, parents and guardians with an account can view:

- Class attendance information
- Contact information
- Classroom assessment information
- Student schedules
- Student course requests for next year
- School information

If parents or guardians forget their password for the portal, they can use the '*I forgot my password*' button. They will be sent an email and they will just need to remember the answer to their security question.

Please consider this email a reminder that if you have not already paid your student fees, please do so ASAP. You are welcome to pay these fees on-line using SchoolCashOnline (credit cards now accepted!) or send cash or cheque (payable to Grandview Heights Secondary) to school with your child to pay at the office. If payment has already been made, we thank you.

Sincerely,

GRANDVIEW HEIGHTS SECONDARY
